READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE EITHER (I) OPENING THE PACKAGE OR DOWNLOADING THE FILE CONTAINING THE DRS COMPUTER SOFTWARE, OR (II) CLICKING THE “I ACCEPT” BUTTON. THE DRS COMPUTER SOFTWARE AND THE ACCOMPANYING USER DOCUMENTATION (“DRS SOFTWARE”) ARE COPYRIGHTED AND LICENSED - NOT SOLD. BY OPENING THE SOFTWARE PACKAGE, OR CLICKING “I ACCEPT”, YOU ARE ACCEPTING AND AGREEING TO THE TERMS OF THIS AGREEMENT. IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THIS AGREEMENT, PROMPTLY RETURN THE UNOPENED PACKAGE TO THE PARTY FROM WHOM IT WAS ACQUIRED, CANCEL THE DOWNLOAD, OR CANCEL THE INSTALLATION. IF YOU ARE A UNITED STATES GOVERNMENT CUSTOMER, ACCEPTANCE OF THESE TERMS ARE EFFECTUATED BY ACCEPTANCE OF A PROPOSAL INCORPORATING THIS AGREEMENT BY REFERENCE OR OTHERWISE OR BY CONTRACTING OFFICER EXECUTION OF THIS AGREEMENT. THIS AGREEMENT REPRESENTS THE ENTIRE AGREEMENT CONCERNING THE DRS SOFTWARE BETWEEN YOU (“LICENSEE”) AND BAE SYSTEMS INFORMATION AND ELECTRONIC SYSTEMS INTEGRATION INC. (“LICENSOR”), AND IT SUPERSEDES AND REPLACES IN ITS ENTIRETY ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING BETWEEN THE PARTIES.

1. License Grant

Licensor hereby grants to Licensee a limited, non-exclusive license during the Term (defined below) to use the DRS Software, in machine-readable, object code form on a single computer (Node Locked Licensed version) or on any one networked-computer at one time (Floating Licensed version) only as authorized by this Agreement. Licensee has no right to assign, sublicense, transfer, pledge, lease, rent, or share its rights under the license or this Agreement. Except as and only to the extent expressly permitted by applicable law, Licensee may not copy, decompile, reverse engineer, disassemble, modify, or create derivative works of the DRS Software or any part thereof. Licensee may make one copy of the DRS Software in machine-readable form for backup purposes; provided, however, that Licensee shall reproduce any Licensor or third party copyright, trademark and patent notices on the DRS Software on such backup copy.

2. Restrictions on Use of DRS Software

Licensee may use the DRS Software in accordance with the terms and conditions set forth in this Agreement. Licensee may use the DRS Software solely for lawful purposes. Licensee may not use the DRS Software in any manner that violates any U.S., international, or foreign laws or regulations or any third party’s rights, including copyright, patent, privacy or publicity rights, or other intellectual property rights.

3. Transfer

The DRS Software may be transferred to a computer of like configuration, or the computer on which the DRS Software resides may be transferred to another location of Licensee’s organization within the same country in which the computer was located when the DRS Software was originally licensed and installed, so long as such transfer is made in accordance with the U.S. Department of Commerce Export Administration Regulations.

4. Export Restrictions

Licensee shall comply with all export laws and restrictions and regulations of the United States Department of Commerce, the United States Department of State, the United States Department of Treasury Office of Foreign Assets Control (“OFAC”), or other United States or foreign agency or authority, and not to export, or allow the export or re-export of the Software in violation of any such restrictions, laws or regulations (including, without limitation, export or re-export to destinations prohibited either in Country Groups Q, S, W, Y or Z country specified in the then current Supplement No. 1 to Section 770 of the U.S. Export Administration Regulations (or any successor supplement or regulations), or the OFAC regulations found at 31 C.F.R. 500 et seq.). By installing or using the DRS Software, Licensee is agreeing to the foregoing and is representing and warranting that it is not located in, under the control of, or a national or resident of any restricted country or on any such list.

Licensee indemnifies and holds Licensor and its licensors harmless from and against any liability that may arise from Licensee's failure to comply with all export control laws and regulations.

Any transfer of the DRS Software outside the country of initial installation shall be permitted only with Licensor's prior written consent.

5. Term; Termination

The DRS Software is licensed on a specific term-license basis, the term period of which shall be identified in the written ordering document (such as, by way of example only, a purchase order or CLIN to a prime or subcontract). This Agreement, and the license granted to Licensee hereunder, will continue for the duration of the specified term, unless otherwise terminated in accordance with the provisions hereof.

Licensee may terminate this Agreement at any time by returning the DRS Software and all copies to Licensor or by deleting the DRS Software and providing Licensor certification of DRS Software deletion to the following address: BAE Systems Information and Electronic Systems Integration Inc., 10920 Technology Place, San Diego, CA 92127, Attention: GXP Customer Support Manager. Licensor may terminate this License Agreement upon the breach by Licensee of any provision of this Agreement. Upon termination of this Agreement (including but not limited to expiration of any term license), Licensee shall cease all use of the DRS Software and, as directed by Licensor at Licensor's sole option, de-install, return or destroy all copies of the DRS Software pertaining to such term license. Neither termination by Licensee, nor termination by Licensor for breach, shall entitle Licensee to a refund of any portion of the Licensee fee.

6. Limited Warranty

6.1 Media Warranty

For ninety (90) calendar days from the date of shipment (the "Warranty Period"), Licensor warrants that the media on which the DRS Software is contained will be free from defects in materials and workmanship. During the Warranty Period, Licensee may return the defective media to Licensor and it will be replaced without charge. Replacement of media is Licensee's sole remedy in the event of a media defect.

6.2 DRS Software Warranty

Licensor warrants that the DRS Software shall substantially perform as described in its user's manual, as it exists on the date of delivery, during the Warranty Period. This warranty is void where Licensee's use is unauthorized, in breach of this Agreement, or where non-conformity is related to inaccurate or incorrect Licensee data. Licensor's sole obligation under this warranty shall be limited to using reasonable efforts to correct any reported defects and to supply a corrected version as soon as reasonable after being notified of such defects. Licensor does NOT warrant that (a) the operation of the DRS Software shall be uninterrupted or error-free; (b) the functions contained in the DRS Software shall operate in all combinations or sequences; (c) the DRS Software shall meet Licensee's requirements; or (d) that defects for which there is a reasonable work-around procedure will be corrected.

6.3 Disclaimer of Warranties

LICENSEE EXPRESSLY ACKNOWLEDGES AND AGREES THAT USE OF THE DRS SOFTWARE AND DATA IS AT ITS SOLE RISK. EXCEPT FOR THE LIMITED WARRANTY SET FORTH ABOVE AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE DRS SOFTWARE, DATA AND SUPPORT SERVICES (IF ANY) ARE PROVIDED "AS IS," WITH ANY AND ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND. EXCEPT FOR THE EXPRESS WARRANTIES STATED ABOVE, LICENSOR AND ITS LICENSORS HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE DRS SOFTWARE, DATA AND SUPPORT SERVICES (IF ANY), EITHER EXPRESS OR IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. LICENSOR DOES NOT WARRANT THAT THE DRS SOFTWARE, DATA AND SUPPORT SERVICES (IF ANY), ARE ERROR-FREE OR WILL BE UNINTERRUPTED, FREE FROM SPYWARE, MALWARE, ADWARE, VIRUSES, WORMS OR OTHER MALICIOUS CODE, OR WILL FUNCTION TO MEET LICENSEE'S REQUIREMENTS. FURTHER, LICENSOR MAKES NO WARRANTIES OF ANY KIND WITH RESPECT TO ANY THIRD PARTY SOFTWARE INCLUDED WITH THE DRS SOFTWARE. THIS CLAUSE SHALL SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT.

7. Limitation of Liability

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL LICENSOR OR ITS LICENSORS BE LIABLE UNDER ANY LEGAL THEORY FOR ANY DAMAGES, INCLUDING, BUT NOT LIMITED TO, ANY DIRECT, INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, LOSS OF PRIVACY, DENIALS OF SERVICE (INCLUDING COMPUTER CRASHES), BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO LICENSEE'S USE OR INABILITY TO USE THE DRS SOFTWARE AND/OR DATA, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, OR OTHERWISE), EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING, IN NO EVENT SHALL DAMAGES EXCEED THE LICENSE FEE PAID. THIS CLAUSE SHALL SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT.

8. Indemnity

LICENSEE AGREES TO INDEMNIFY AND HOLD LICENSOR AND ITS AFFILIATES HARMLESS FROM ANY CLAIMS, PROCEEDINGS, DAMAGES, COSTS, AND EXPENSES ARISING OR RESULTING FROM (1) LICENSEE'S USE OF THE DRS SOFTWARE FOR ANY ILLEGAL PURPOSE, OR ANY USE NOT AUTHORIZED BY THIS AGREEMENT OR IN BREACH OF THIS AGREEMENT; OR (2) INACCURATE OR INCORRECT LICENSEE DATA.

IF LICENSEE IS THE U.S GOVERNMENT, THE FOREGOING INDEMNITY CLAUSE IS REPLACED AS FOLLOWS: NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS REQUIRING THE U.S. GOVERNMENT TO INDEMNIFY LICENSOR. HOWEVER, LICENSEE AGREES THAT IT IS SOLELY RESPONSIBLE FOR ITS USE OF THE DRS SOFTWARE AND ASSUMES ALL RISKS ARISING FROM SAME, INCLUDING BUT NOT LIMITED TO CLAIMS, PROCEEDINGS, DAMAGES, COSTS AND EXPENSES ARISING OR RESULTING FROM USE OF THE DRS SOFTWARE FOR ANY ILLEGAL PURPOSES OR ANY USE IN BREACH OF OR NOT AUTHORIZED THIS AGREEMENT.

9. Support

The license granted herein entitles the Licensee to all Upgrades for the DRS Software to make the software current for the duration of the specified license term. "Upgrades" mean those versions of the DRS Software that Licensor, at its discretion, deems to be logical improvements or extensions to the DRS Software. Note: Licensee agrees that any and all Upgraded copies of the DRS Software provided under the term license hereunder are for replacement of the copies of the DRS Software licensed to Licensee and are not provided as additional copies. The provision of Upgrades shall not be construed as increasing the number of copies of the DRS Software licensed to Licensee. Licensee shall not install the upgraded DRS Software on a second computer while continuing to operate the earlier version on the computer in which originally installed. If Licensee wishes to run the upgraded DRS Software upgrade on another computer, while continuing to run earlier versions on other computers, Licensee must purchase a new license.

10. Reservation

Licensor reserves all rights not expressly granted to Licensee in this Agreement. Licensor retains all title, interest and ownership of all intellectual property rights in and to the DRS Software and accompanying documentation, including, but not limited to, all copyright and rights and interests of every kind or nature in and to all works based upon, incorporated in, derived from, incorporating or relating to the DRS Software and documentation or from which the DRS Software and documentation are derived, as well as the right to exploit any of the foregoing in all media and by any manner and means now known or hereafter devised, throughout the universe, in perpetuity. This section shall survive termination or expiration of this Agreement.

11. Privacy

During registration or use of the DRS Software, information about Licensee and Licensee's computer may be collected. By installing the DRS Software, Licensee consents to the collection and processing of information about Licensee and Licensee's computer.

12. Updates

Use of the DRS Software may require periodic checking for updates over the Internet. By use of the DRS Software, Licensee consents to such periodic checking, unless Licensee's environment is a closed environment or operates under heightened security requirements where remote checking is not possible. In such event, Licensee and Licensor shall mutually agree on a delivery

mechanism for providing updates which may include, by way of example only and without limitation, DVD or other media delivery. No updates will be installed without Licensee's prior consent.

13. Government Acquisitions

a. This provision applies to all acquisitions of the DRS Software by or for the federal government of the United States of America (the "Government"). The Government hereby agrees that the DRS Software qualifies as "commercial" computer software within the meaning of FAR Part 12.212 (October 1995), DFARS Part 227.7202-1 (June 1995), and DFARS 252.227-7014(a) (June 1995). The terms and conditions of this Agreement shall pertain to the Government's use and disclosure of the DRS Software, and shall supersede any conflicting contractual terms or conditions. If this Agreement fails to meet the Government's minimum needs or is inconsistent in any respect with federal procurement law, the Government agrees to return the DRS Software unused to the party from whom acquired. The Government further authorizes and consents, pursuant to FAR Part 52.227-1 (July 1995), to all use and manufacture, in creation and operation of the DRS Software, of any invention described in and covered by a United States patent.

b. The DRS Software contains several code modules developed at private expense by Licensor, including but not limited to a new and enhanced Archive & Dissemination Shared Services module ("ADSS"), portions of which derive from certain legacy code to which the Government has unlimited rights. The new and enhanced ADSS module was developed, and continues to be further modified and maintained, at private expense. The Government agrees that its unlimited rights do not apply to the new and enhanced ADSS module and that the Government's rights in the DRS Software are limited to the commercial rights enumerated in this Agreement. Further, the Government agrees that the new and enhanced ADSS module itself is licensed to the Government under the following specifically negotiated license rights per DFARS 252.227-7014(b)(4): (i) such rights are limited to those rights set forth in this license Agreement; (ii) such rights apply only to the object code of the new and enhanced ADSS module and not the underlying source code; (iii) such rights extend only to the agency that originally procured DRS (hereinafter referred to herein as "Sierra") and no other agency of the Government; (iv) such rights in the new and enhanced ADSS module will never convert to unlimited rights; and (v) such rights are subject to Sierra not releasing or disclosing the ADSS module code to any other person or entity unless the intended recipient is subject to a nondisclosure agreement per DFARS 227.7103-7. In the avoidance of doubt, if Sierra or any other Government customer wishes to use the DRS Software or other product that contains the DRS Software (or any subsequent or updated versions), additional license(s) must be purchased and each license shall be governed by the applicable commercial license agreement for such products (in the case of the DRS Software, this Agreement).

14. Educational Use License

If Licensee acquires the DRS Software pursuant to an Educational Use as defined below, such Educational Use is subject to an Educational Use License that has the following additional terms.

14.1 Definitions

"Educational Use" means one or more of the following: (a) an education price is charged by Licensor and paid by Licensee for the DRS Software and documentation; (b) the DRS Software and documentation is received by virtue of Licensee's participation in a Licensor program designated as designed for educational or research institutions; or (c) the DRS Software and documentation is provided by Licensor to Licensee under some other arrangement expressly designated for educational use.

"Educational Use License" means a license granted under this Agreement to Licensee for an Educational Use.

14.2 Licensee shall have all the rights under this Agreement as a single-use Floating License except that the computer on which the DRS Software is installed and used shall be a desktop computer in a university lab.

14.3 Licensee represents and warrants that Licensee is an employee or student of the educational institution where the DRS Software is to be installed and used.

14.4 DRS Software and documentation licensed pursuant to an Educational Use License shall be used for educational and research purposes only.

14.5 Commercial and general production use of DRS Software or documentation licensed pursuant to an Educational Use License are specifically prohibited.

14.6 The duration of the Educational Use License is one (1) year, from the date on which the DRS Software license keys are made available to Licensee, unless otherwise agreed upon in writing by Licensor.

14.7 An Educational Use License entitles Licensee to email and telephone support for up to two (2) designated employees and DRS Software upgrades during the term of Licensee's Educational Use License.

14.8 Licensee grants Licensor the right to use any material created by Licensee related to the DRS Software or documentation for marketing, advertising or other similar purposes.

15. Incorporated Third Party Software

The version of the DRS Software you are receiving incorporates third parties' software under licenses from such third parties. Certain third party software is subject to such additional terms and conditions as noted in Appendix A. Further, other third party software licenses incorporated into the DRS Software may require Licensee's agreement to further terms and conditions. When required by the terms and conditions of each third party license, license information is provided in Appendix A and/or the license itself is made available at <http://baesystems.com/gxp>: click Support, click License Services, click License Agreements.

16. General

16.1 Licensee is responsible for installation and operation of the DRS Software.

16.2 This Agreement shall be governed by and interpreted in accordance with the laws of the State of California, without reference to conflict of law principles of the State of California. All disputes or actions arising out of this Agreement shall be subject to the exclusive jurisdiction of the California state courts (or if there is exclusive federal jurisdiction, the United States District Courts) in San Diego County and the parties agree and submit to the personal and exclusive jurisdiction and venue of these courts.

16.3 Failure or neglect by Licensor to enforce at any time any of its rights or remedies shall not be deemed a waiver of its rights or remedies nor prejudice Licensor's rights to take subsequent action.

16.4 In the event any of these terms are determined to be invalid or unenforceable to any extent, such term shall be severed from the remaining terms, which shall continue to be valid to the fullest extent permitted by law.

16.5 Licensee is responsible for payment of all taxes associated with this transaction.

16.6 Licensee acknowledges and agrees that no license, right or interest is granted to use the names, trade names or trademarks "BAE SYSTEMS Information and Electronic Systems Integration Inc.," "GXP," "SOCET GXP," "GXP Explorer," "Geospatial eXploitation Products," "SOCET SET," "SOCET Services," or any other trade name or trademark, or portion of any of them, owned by or licensed for use by Licensor or any parent, or subsidiary or other company with whom Licensor is affiliated for any purpose whatsoever other than reproduction of such trademarks on permitted backup or archive copies of the DRS Software.

16.7 This Agreement applies to updates, supplements, add-on components, or Internet-based services components, of the DRS Software that Licensor may provide to Licensee or make available to Licensee after the date Licensee obtains its initial copy of the DRS Software, unless Licensor provides other terms along with the update, supplement, add-on component, or Internet-based services component.

16.8 Except as otherwise provided herein, this Agreement may be amended only by a subsequent writing signed by both parties, and no other act, document, usage, or custom shall be deemed to amend this Agreement.
